The Coughlin Difference

Professional Marketing	✓	
	Coughlin's Auction employs a comprehensive advertising plan that includes both national and local email and social media marketing campaigns. We ensure maximum exposure for every auction by advertising on reputable platforms.	
Privacy	✓	
	The address to the property is exclusively provided to winning bidders and registered previewers.	
Transparency	✓	
	At the conclusion of the auction, you will receive a comprehensive accounting detailing each item and its final selling price. Additionally, you have the option to monitor the auction in real-time as it progresses, with prices remaining visible online throughout the event. After the auction concludes, all prices remain accessible for review on the auction platform.	
Reduced Wear and Tear	✓	
	At the conclusion of the auction, you will receive a comprehensive accounting detailing each item and its final selling price. Additionally, you have the option to monitor the auction in real-time as it progresses, with prices remaining visible online throughout the event. After the auction concludes, all prices remain accessible for review on the auction platform.	
High Sell Through Rate	✓	
	By limiting access to only winning bidders and registered previewers, there will be significantly less wear and tear on your property.	
Competitive Bidding	✓	
	Coughlin's typically boasts an impressive sell-through rate ranging from 90% to 97% at auction. This high sell-through rate translates to more money for you as the seller and fewer items to worry about after the auction concludes.	
Larger Audience	✓	
	Auctions introduce competition among bidders, leading to increased bids and driving prices up. Coughlin's facilitates this competitive atmosphere, ensuring sellers achieve optimal returns on their assets.	
Less Risk	✓	
	At auction, the market determines the price, effectively eliminating the risk of someone pricing an item incorrectly.	
Comprehensive Insurance Coverage	✓	
	Coughlin's maintains comprehensive insurance coverage to safeguard your auction event. Additionally, we carry workers' compensation insurance for every member of our staff, ensuring that liability is removed from our clients in the event of an employee injury while at their house.

“COUGHLIN’S HAS, IMHO THE BEST ON LINE ACTIONS ANYWHERE. WHY? EASY, CLEAR BIDDING PROCEDURES, AND INSTRUCTIONS . A SIMPLE AND STRAIGHT FORWARD USER INTERFACE FOR BIDDING SO YOU ALWAYS KNOW WHERE YOU STAND AND GREAT OUTCOMES. MOST IMPORTANTLY THEY AUCTION HIGH QUALITY, RARE AND SOUGHT AFTER ITEMS. THEY ARE A PLEASURE TO DEAL WITH. BUT DON’T TELL ANYONE. I DON’T WANT THE BIDDING COMPETITION COMING TO THEIR AUCTIONS.”
